Subject: San Juan Mining Conference Registration

Hi Esme,

My name is Liz Fagen and I am an EPA RPM for the Upper Animas Site in Silverton. I inadvertently forgot to sign up for the conference, I think. I thought I had signed up a few months back, but I checked today and I don't think I'm signed up.

I am in Silverton with Paula Schmittdiel and Cynthia Peterson, who are both attending the conference. I have made reservations at the Peaks Resort and planning on coming Thursday. Can I still sign up to attend? I know that Fran Costanzi canceled her plans to attend, so maybe I could take her place?

Please let me know! I apologize for my disorganization.

Liz
